The following is Dutro's warranty policy for all Dutro manufactured products.

90 Days, parts and labor, from date of original purchase from Dutro.

Products in question may be shipped to Dutro at customers/dealers expense. Dutro will evaluate the product.

If the product is found defective, Dutro will repair or replace the item at no additional charge to the customer/dealer. Dutro will issue a credit for the original freight and will ship new product prepaid.

If the product's damage is found to be from abuse and not defective, the customer/dealer will be notified and the decision will be put into their hands on how to proceed. Dutro will not be responsible for any freight, repair or replacement costs.

Dutro reserves the right to revoke warranty at any time without notification.
